

## Video Editor

### About Women@Tech

Women@Tech is a **volunteer-led** UK organisation, dedicated to connecting, developing, and advocating for women in technology, with the backing of our industry-leading member companies.

Driven by women and allies working within the most influential Tech companies in the UK, we deliver a unique blend of mentorship and development programmes; networking events; and advocacy initiatives, to improve representation and progression of women within the Tech sector.

Together, we are leading the charge towards a more diverse, equitable, and inclusive future for all in the Tech industry.

For more information, please visit our [website](#).

### Job Details:

The Women@Tech marketing team set the brand strategy, driving engagement through social media and campaigns, all the while managing a consistent and positive experience of Women@Tech online.

We're looking for an experienced video editor to drive our video strategy and elevate the Women@Tech brand. We're a fast-paced but fun team with loads of opportunity for a new team member to make a big impact.

If you're looking to gain experience working in a creative field, build your portfolio and gain exposure to major brands, this could be the ideal opportunity for you.

### In this role you will:

- Be responsible for Women@Tech's video guidelines and how this is expressed across our video assets.
- Support our marketing team, podcast, and events teams to transform raw footage into polished masterpieces using video editing tools.

- Design motion graphics and create animations.
- Collaborate with the campaigns and social teams to brainstorm and develop video content that resonates with diverse audiences.
- Work closely with the Brand designer to produce cohesive marketing materials.
- Infuse your work with the latest video editing and graphic design trends.

**What you will need to succeed:**

- Video editing experience.
- Basic experience creating motion graphics and animations.
- Fluent in English (other languages are very welcome!).
- A passion for marketing and communications.
- A high level of organisational skills and a collaborative approach.

**What you'll get from us:**

- Great experience working in a collaborative fun team.
- Varied projects with a high degree of autonomy.
- The opportunity for development with marketing experts.
- Unleash your creativity and contribute to something meaningful.
- Become a thought leader in Diversity, Equity, and Inclusion, while building your personal brand and amplifying your voice in the industry.
- Build a unique network across the major tech companies in the UK and gain valuable perspectives.
- The commitment to treating everyone equally, without any discrimination.

**Time commitment:**

1-2 hours per week, with flexibility in regards to your workload.

**HOW TO APPLY:**
